At La Bottega Linka, everything rotates around the X-Oven, where we offer our fresh fish and aged meat, all cooked over charcoal. At Linka we mix the old with the new to create a cocktail full of distinctive flavors and Italian authenticity in the heart of Prague. Linka's location is historical as the building used to host one of the most renowned delicatessens in the post-war era. We are continuing this tradition with our extensive offer of carefully selected delicatessen cured meats and cheeses, along with an assortment of seasonal pastries and sweets.
