Our professional team of bakers bake beautiful and fresh Italian products from local flour for all our restaurants and bistros every day. We are experts on natural leaven and the process of cold proofing when the dough is rising for several hours. Everything from our bakery is prepared by hand and from natural ingredients without any additives and according to original recipes. For example Pane di Altamura is one of the most traditional kinds of pastry, with roots going back more than a thousand years.

In La Bottega Linka everything spins around an X-Oven where we do our fresh fishes and aged meat on charcoal. On top of that, the Linka's location choice has a historical reason for the building used to host one of the most renowned delicatessens in the post-war era. In Linka we mix something old-fashioned with something new and create cocktails full of distinctive flavors and Italian authenticity in the very heart of Prague centrum.
